

Let's Drink Some Scotch!!!!

Whether you are a fan of Single Malts- or don't know your Ardbeg from your elbow- you are welcome to join the -

Thirsty Woman Scotch Society.

The goal is simple – to create a fun and informal atmosphere for sampling the many Scotches available.

There are far too many and very costly for most of us to try more than a few, Thus begins our society.

The Thirsty Woman Scotch Society will allow you to taste up to five malts at every tasting, encompassing the different regions, distilleries, styles and prices, including a few that would be too expensive to purchase on our own without a chance to taste.

Cheese and crackers shall be provided along side our scotch selections.

The Society shall meet the FIRST Tuesday of the month for four months.

The cost is 28 dollars per session plus a one time Membership joining fee of 20 dollars per year.

Members receive a Thirsty Woman Goblet as well as the single malt Punch card .The card entitles you to a one dollar single malt after your first ten punches at The Thirsty Woman.
